

The Greatham Foundation

The Bridge

Anyone concerned about memory loss or who may have received a diagnosis of dementia may naturally feel worried and anxious. If you or your family member have any concerns then help and advice is available at The Bridge. This is a free service.

More Information

At The Bridge, we're here to offer advice, information, and support to help people live well with dementia. All of our team members are trained Dementia Champions and can provide Dementia Friend sessions to help build understanding and awareness.

We're also here for carers, families, and friends—offering a listening ear, practical help, and emotional support when it's needed most. If you're looking for other services, we can help point you in the right direction.

we can sign post you to a range of other services available in Hartlepool, including supported living, community pastimes activities, day services and residential or nursing care.

The Bridge is currently available Monday to Friday, 9am - 5pm.

If you would like to know more information about The Bridge, our friendly knowledgeable team are on hand to answer any questions you may have.

> "Helpful advice when needed, always felt welcomed.
